

FC STARS: SOCCER-THON

Save the Date: Soccer-Thon October 19th-20th 2018.

Soccer-Thon, 24 hours of non stop soccer, players and parents will play round the clock at the FC Stars Complex.

October 19-20th FC Stars will be holding their 4th Annual Soccer-Thon. This year, FC STARS will raise money for The Greg Hill Foundation. This foundation was formed in 2010 to respond to the immediate needs of families that had been touched by tragedy which can leave a wake of devastation for the affected family.

Given the variety of requests, the Greg Hill Foundation has responded to many different families on many different levels of need. This collaboration gives FC Stars and its players an opportunity to become involved with a local foundation that has been able to help families in their time of need.

FC Stars will donate 50% of the total profit made to the Greg Hill Foundation. The other 50% will allow FC Stars to provide financial assistance towards players costs for families in need.
